Belgian health minister caught picking snotter in TV interview

By BARNEY SAMUELS
news@sundaysport.co.uk

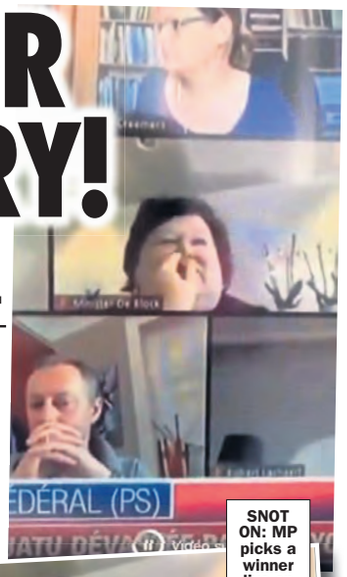
WITH the weight of the coronavirus pandemic upon us, citizens are looking to their politicians for leadership.

But Health Minister Maggie De Block failed the test by ignoring basic hygiene procedures.

In a broadcast shown live on TV by Belgian channel LN24, Maggie forgot she was being watched by the nation as she took the time to pick bogies out of her nose and flick them.

It was the latest woe for the politician as last month she was hit by a FAKE NEWS scandal.

A website that called *worldnewsdailyreport.com* published an article titled, 'Belgium health minister puts ban on non-essential sexual activities of three persons or greater in indoor areas'.



SNOT ON: MP picks a winner live on the telly

The article claimed: "Health Minister de Block announced that, effective immediately, "non-essential" sexual activities of three people or more are banned in Belgium to combat the spread of COVID-19," and quoted de Block as saying, "Belgium is the beer-drinking and group sex capital of Europe, if not the world. We, as a nation, must address this situation."

BRITAIN'S SMALL TRADERS CRISIS

"I CAN'T remember the last time I did a 'big shop' at a big supermarket.

I do a lot of work in London and I go up on the train. When I get home, it's often a matter of popping into my local corner shop to get something nice for my dinner.

It's only a small place but it has everything, with an amazing deli counter.

During the crisis, they've played a blinder – organising click or call and collect and even deliveries for the old folk who are not allowed out.

Evil of virus is matched by... Trump's farts!

MELANIA Trump is keen that everyone around her husband Donald wears face masks – but it's nothing to do with coronavirus.

It's because of the US President's shock and awe FLATULENCE!

First Lady Melania has tweeted: "I ask that everyone take social distancing & wearing a mask/face covering seriously."

But according to White House sources, the killer Chinese death virus is the least of people's worries in the stuffy West Wing.

One said: "The President's flatulence is the stuff of legend.

"His farts are loud, wet and VERY smelly.

"I don't know what he's eating, but it can't be good for him.

"Of course, the First Lady gets the full brunt of his boffing.

"No wonder she's in favour of face masks."

The source added: "A couple of cans of Glade in the Oval Office would not go amiss, either."

King 'sorry it's like my horror stories'

HORROR writer Stephen King says he is "sorry" – because people feel like they're stuck in one of his novels.

The worldwide bestselling author, whose vast body of works includes The Shining and IT, was speaking out about the planetary panic over coronavirus.

In his 1978 novel The Stand, King wrote about a viral pandemic that decimated the world's population.

And he gets it when fans say experiencing the Covid-19 outbreak feels like stepping into one of his horror stories.

"I keep having people say, 'Gee, it's like we're living in a Stephen King story'," he says.

"And my only response to that is, 'I'm sorry'."

King added that there was never any question that a pandemic like COVID-19 was "bound to happen".

MONDAY

THE nation holds its breath as our beloved Prime Minister is whisked into intensive care with coronavirus.

Poor Boris hates hospitals and has always tried to avoid them – even for the birth of his own children. To be fair, he had so many that it would have cost him a fortune in parking.

Thankfully the experience was not as bad as he'd feared. OK, so he was dressed in a buttock-exposing gown then pinned to a bed for several humiliating and invasive procedures – but that's not so different to a first day at Eton.

TUESDAY

THE chief plod of Northamptonshire Police threatens to start searching people's shopping bags to check they are only buying ESSENTIAL supplies.

We should thank our lucky stars this is not happening at Christmas or I'd be stopped every time I left Aldi…and charged with handling stollen goods.

WEDNESDAY

KEEP fit guru Joe Wicks reveals that his dad is a heroin addict… but that he still loves him and tries to support him through his relapses.

Christ, imagine having that guy around when you've just scored a bag of gear.

You'd be the only smackhead who has to warm up before you're allowed to chase the dragon.

THURSDAY

FOR the third week running, Britain applauds our key workers.

If they don't come out and perform *Livin' On A Prayer* next time, I'm not doing it again.

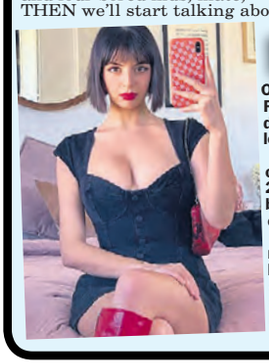
FRIDAY

CHRISTIANS around the world celebrate Good Friday – telling the story of how Jesus did 40 days in the desert then suffered death by crucifixion.

Yeah, OK.

Come back to us when you've done three weeks locked inside a two-bed terrace with a wife and four bored kids, mate, THEN we'll start talking about sacrifice.

SATURDAY



ONE-HIT wonder Rebecca Black declares herself a lesbian.

She enjoyed huge online fame in 2011 with a catchy but inane song called *Friday*.

Turns out she really does love Fridays, too – especially the rule about eating fish instead of meat.

WE'RE No.1 FOR

MY UNSUNG HERO

by Kitty Lea, 27, 30DD, from Lincoln

'Having people so competent serving you makes you feel really secure and safe'

I LIVE quite close to Lincoln County Hospital and when I see the doctors and nurses going into work each day it always makes me feel emotional.

They don't quite know what they're going to face that day and although our area has not been so badly hit by the virus as, say London, that could change at any time.

I think all of us are grateful for the care and professionalism of everyone in the NHS.

But the NHS is more than just hospitals, of course.

We shouldn't forget the pharmacists who are in the front line, too.

Appointment

In recent years, people have been relying on pharmacists more as it can be so hard to get an appointment with your GP.

My local pharmacy is a Co-Op one on Monks Road in Lincoln.

The staff there are brilliant and they are so knowledgeable about various complaints.

Having people so competent serving you makes you feel secure and safe – especially when something like this virus comes along.

So I'd like to give a massive shout out to the staff at Monks Road Co-Op pharmacy in Lincoln – and all the other pharmacists working so hard in Britain.

R VIRUS EXCLUSIVES

I'VE EATEN NOTHING BUT BOG ROLL FOR THREE WEEKS

IN THE SHIT... Brian with loo paper stash

Brian panic bought 300 rolls and had no money left for food

WHEN Brian Kershaw saw which way the virus wind was blowing, he didn't want to take any chances.

SUNDAY SPORT EXCLUSIVE
By BRAD CHADWICK

So the unemployed swimming coach rushed down to the supermarket and bought plenty of toilet roll to keep his nipsy wiped during any prolonged quarantine.

But unfortunately, after blowing all the money he had on THREE HUNDRED rolls of shit tickets, 49-year-old Brian didn't have any money left for grub.

So now he's left with little alternative – he's EATING his stash of loo roll.

Unmarried Brian, of Biddulph, Staffs, groaned: "I was watching the news and was certain that the Chinese Death Plague would eventually arrive here.

"I subscribe to quite a few urban survival sites on the internet, so I knew that toilet roll was the number one essential at a critical time like this.

"I timed it right and got to the supermarket before the real panic buying started.

"I counted my money and realised I had enough cash for 300 rolls.

"But when I got home, put the rolls away and went to the cupboard, I realised I had very little food in store.

"I ate the last I had and then, there was nothing else for it, I had to start eating my precious loo rolls."

Brian added: "I've been troughing it for three weeks now. I would love to say it gets better with time but I have to be honest, it's absolutely revolting.

"The ironic thing is that it's made me constipated so, after going to all that effort and expense to buy loo roll, I don't even need the stuff for its proper function. Bah!"

Plight

However, many of Brian's nearest neighbours are unsympathetic to his plight.

One, who refused to give his name, spat: "He's not right that one, not right in the head.

"You know why he lost his job as a swimming coach, don't you? Two words: Len Fairclough. That's all I'm saying."

COPING JUST SWIMMINGLY... Shopping trio go snorkeling to supermarket

Love the masks, guys!

NECESSITY is the mother of invention, they say...

And this family have certainly proved their inventiveness when it comes to warding off the coronavirus.

The trio were spotted walking down a street in London, sporting trendy snorkel-and-mask all-in-one devices.

The aqua-kit, used by holidaymakers to view coral reefs, can also be adapted to filter out virus particles floating through the air.

And the masks are so effective that this well-fed threesome were able to safely travel to their supermarket and fill their wheelie baskets with essential tuck – and maybe a few sweet treats.

Paying tribute to the ingenious use of the apparatus, one impressed onlooker said: "They look like a proper bunch of c***s."

BGT STAR'S DICK TRICK TRIBUTE FOR DOCS

ONE MAN, THREE CUPS: Bizarre act

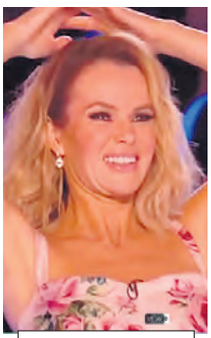
By JAMES WHITE news@sundaysport.co.uk

A MALE stripper who wowed *Britain's Got Talent* audiences when he balanced a cup and saucer on his manhood has posted a wacky tribute to the world's healthcare workers.

Kazuhisa Uekusa, 32 – who performs under the inventive name of 'Mr. Uekusa' – is an international variety performer from Japan who last week posted a tribute clip on Twitter to mark World Health Day.

The clip sees Mr. Uekusa lying on his back, draped in a cloth and a piece of paper that reads "HEALTHCARE WORKERS," stacking mugs and saucers on his chest and groin.

Daft Punk's track *One More Time* pumps along in the background until, timed to the beat, he rips the sheet out from underneath the dishes to reveal them sitting perfectly in place over his nipples and dick around a new paper that now says, "THANK YOU!"



SQUEALS: Amanda

A blast of fanfare dies out so Mr. Uekusa, previously grimacing in concentration, can hold out a double thumbs-up and then fill the silence with solo applause.

He caused squeals of delight from *BGT* judges including Amanda Holden and Simon Cowell when he performed his turn in the semi-finals of the show in 2018.

He appeared on Georgia and Germany's version of the show before trying his luck in Britain.

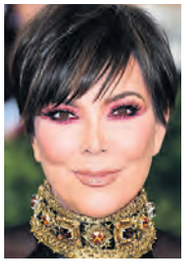
Gorillas shielded over bug fears

EVEN great apes have been put on lockdown against the threat of coronavirus.

Gorilla tourism in Africa has been suspended, and sanctuaries for other apes, such as orangutans, have closed to the public.

It's not known if great apes can contract the virus, but there are growing fears they might be at risk.

Top vet in Rwanda, Uganda and the Congo, Dr Kirsten Gilardi, said: "Because mountain gorillas are susceptible to human pathogens, we know that they can develop respiratory illness."



Kris alarms family with her sexploits

KRIS Jenner visibly disgusted her daughters Khloe Kardashian and Kendall Jenner when she shared too much information about her booming sex life with Corey Gamble.

The "momager", who's 64, went deep into details on *Keeping Up With The Kardashians* about being "up all night" with her 39-year-old boyfriend as she seductively ate her lunch.

"Do I have lipstick all over my face?" she arrived asking as she wiped her mouth.

"No, why?" Khloe, 35, responded already at the table with her supermodel sister, 24.

Kris revealed: "Oh, we were just having a little make-out session in the car. Is my shirt on right?"

A hesitant Khloe then asked where her producer boyfriend is since he was supposed to join the lunch.

"Corey had to go home and sleep as we were up all night. You know how that goes," Kris said with a smirk.

Council hacked by 'porn stars'

AN online public council meeting ended in chaos after it was hijacked by people who logged on with porn star names Ben Dover and Mike Coxlong.

The virtual conference took place last week, with the public able to watch proceedings using video software.

South Somerset Council had convened to discuss planning in the local area but were quickly interrupted.

Several people joined the meeting using suggestive pseudonyms while grunting audio from a porn film could also be heard.

The trolls quickly had their microphones muted before then being booted out of the Zoom call.

The council had moved its discussions online to let proceedings continue during the COVID-19 pandemic.

HandsaniTIZER!

Confused idiots wash their hands in orange pop to beat killer virus

FIZZY FLOPS: Andrew, Frank and Harvey

PITY the dolts who have not the wits they were born with!

THREE pals have been washing their hands in TIZER after falling for an online spoof suggesting the orange pop was the active ingredient in hand saniTIZER!

The prank started two weeks ago when a video posted on Twitter showed a youngster washing his hands in the fizzy pop, claiming that it guarded against infection.

Pandemic

The video came as the world suffered a worldwide shortage of hand sanitizer thanks to the coronavirus pandemic.

While most laughed it off, some took the vid seriously and it evolved into "fake news", with several sources claiming that the brightly-coloured drink was a basic ingredient in anti-bac gel.

Three who fell for it were Lanarkshire neighbours Andrew Murray, Frank Douglas and Harvey Bruce.

SUNDAY SPORT EXCLUSIVE
By JUSTIN DUNN

They've been washing their hands in Tizer for two weeks and only found out on Thursday that they've been pranked – and that was AFTER they'd convinced their entire STREET to start disinfecting their hands with the sticky fluid, which can be purchased in almost any supermarket.

Andrew, 56, said: "I feel such a fool. It was on the Facebook so I thought it must be true. We've been going round with sticky hands for two weeks – and for nothing!"

Frank said: "If I find whoever put out this stuff on the internet, I'll box their ruddy ears!"

But Harvey is sticking to his guns and sees denials that Tizer is not effective against coronavirus as a conspiracy.

He said: "They say it's not true but I've not caught coronavirus, so there must be some truth in it.

"I think it's true and they're trying to keep the truth from us – like when they say those phone masts don't spread the AIDS.

"Think about it? Eh?"

Tizer first hit the shelves in 1924 and has been a popular soft drink ever since.

In 1972 the brand was bought by Scots company AG Barr, makers of the equally-brightly coloured Irn Bru.

It is not thought that Tizer has any anti-viral properties, though last night a source at the World Health Organisation admitted that the drink has not been scientifically tested in the search for a cure for COVID-19.

Rita's got lovely buds!

SPRING buds are bursting out – and so are Rita Ora's pert nips in this stunning snap.

The 29-year-old singer posted a series of photos of her exercise session as she self isolates in the English countryside.

One fan said: "My, that's a prettier thing to look at than my wife's fking face, which is all I've seen for the past... how long is it we've been under house arrest now? About six months?"**

My God! That's a chicken!

CHICKENS were considered GODS when they first arrived in Britain during the Iron Age, research suggests.

Instead of being seen as food, the birds were linked with deities, and buried with care and intact.

Work by experts from the Universities of Exeter, Leicester and Oxford is revealing when brown hares, rabbits and chickens were introduced to Britain, and how they became incorporated into modern Easter traditions.

Professor Naomi Sykes, from the University of Exeter, who is leading the research, said: "Easter is an important British festival, yet none of its iconic elements are native to Britain.

"The idea that chickens and hares initially had religious associations is not surprising as cross-cultural studies have shown that exotic things and animals are often given supernatural status."

THE VOICE OF YOUR BRITAIN

Folly that left Brian wiped out

AS the wings of pestilence beat blackness over our hobbled nation, we take our joy where we can.

So we can be forgiven for taking a certain amount of glee at the predicament of foolish Brian Kershaw.

Like many unthinking others, at the first sign of danger, Brian rushed out and spent all his money on so-called 'toilet rolls'.

In all, he purchased no fewer than 300.

Now, as all civilised people know, the toilet roll is what separates us from the beasts of the field.

But civilisation is not built on Andrex alone and in his rush to supply himself with toilet paper, Mr Kershaw neglected to supply himself with life's other essentials.

And now, with supply chains returning to normal and the toilet paper shortage all but over, Brian is left with a heap of surplus paper which he must EAT to survive.

Oh, the folly!

In our modern world, we are unused to peril and complete strangers to shortage.

Faced with a disturbance to our settled ways, the reaction has – in too many quarters – been rather unseemly, unedifying and, to be blunt, downright unBritish panic.

Now the foolish flappers are left feasting on their own toilet paper.

That is surely something to smile at in these dark times.

Handjob hero Kat's amazing

TODAY we shout a huge 'Hooray!' for Britain's most famous working girl, Kat Lee.

Kat has offered to give each NHS hero an amazing wank – to spunky, heroic completion – as a 'thank you' for their work battling the killer virus.

Over recent weeks, there have been many gestures that have warmed the cockle.

However, this surely is the most touching.

CONFUSED ANTI-GAY CAMPAIGNER SMASHES UP HOUSES SHOWING RAINBOWS IN HIS ROAD

By JACQUI ADLER
news@sundaysport.co.uk

FURIOUS homophobe Lachlan Dumont went on a rage filled rampage down his street after being confused by all the rainbows that had suddenly appeared in local people's windows.

The fiercely anti-gay online university lecturer had no idea the rainbows are drawn by children to offer support during the coronavirus nightmare.

HOPE: Kids' art in windows

Millions have been stuck up in windows or chalked onto drives across the UK.

But bigoted Dumont wrongly thought they were part of a campaign to support gay rights, who also use a rainbow symbol, and he took umbrage.

And during his daily Government-prescribed exercise he took a catapult used for fishing and started firing stones at people's windows.

By the time police in South London arrived Dumont had smashed 17 windows.

Neighbour and victim Pauline Dunkley described what happened.

She said: "I heard a right commotion in the street and then all of a sudden my upstairs window smashed.

"That's when I heard Lachlan screaming and shouting about the gay mafia taking over.

"He started bellowing, 'Where did all you bummers come from? I don't want to live in Faggot Street!'"

Dumont was later released on a police caution.

He has previously been in trouble for trying to stop a gay pride march with a giant inflatable brontosaurus.

WHAT ARE THOSE RAINBOWS ALL ABOUT?

THE rainbows are meant to offer a message of hope to the public during lockdown.

They have primarily been drawn by children in a bid to keep people positive, with rainbows showing that the sun follows heavy rainfall.

One Facebook page called 'Chase The Rainbow' urged: "Create a rainbow picture to display in your window so that children can go rainbow spotting while out for walks."

Fireball warning to barbecue fans

BARBECUE fans have been warned that hand sanitizer could turn them into a human FIREBALL if they fire up the coals this Easter weekend.

People who plan to have a BBQ have been told their hands could set alight if they don't dry them properly after using sanitizer.

The New South Wales Rural Fire Service in Australia issued the stark warning and urged folk to be cautious near an open flame.

The NSW RFS said in a Facebook post: "With an increase in the use of hand sanitizer, we'd like to remind everyone its ingredients are flammable – most of these gels contain 60-80% alcohol.

"If you're planning a BBQ, please dry your hands after using hand sanitizer and before dealing with a naked flame."

Dancing beauty horrified at online claims

STRICTLY scorcher Katya Jones faces fresh anguish after being caught up in a nude online picture leak scandal.

By GARY DORAN
gary@sundaysport.co.uk

The 30-year-old split up from her fellow dancing hubby Neil Jones seven months ago after she was seen snogging hairy comedian Seann Walsh in the street.

The pair were dance partners on the BBC show and got far too close – leading to sexy Katya and Neil going their separate ways.

But the Russian babe is now facing more heartache as she found internet evil doers have been posting pictures online which they claim to be of her.

Katya, who won the Glitterball trophy in 2017 when she teamed up with Joe McFadden, is said to be devastated at the claims.

It is not known if the pictures are of Katya or have been crafted using advanced technology developed by Iranian boffins to sow discord in the Western world.

But the pictures do show someone who looks exactly like the *Strictly Come Dancing* beauty showing off her bare boobs.

Nipple

In one picture it appears the woman in the snaps sports an inverted nipple as she poses naked in a mirror and covers up her private parts with her hand.

Other images show the woman posing for sexy selfies in lingerie and writing messages to the recipient of the pics.

A source said: "To be honest it doesn't matter if these pictures are real or fake.

"What really matters is that Katya is shocked and very upset.

"She is appalled that there are pictures which claim to show her bare busters and she's not happy with that at all. Not one bit."

Black kids in vid tricked by sick Chinese

CHINESE "pranksters" tricked innocent little African children into chanting racist slogans – then sold videos of the outrage online.

The film, which was exposed by YouTuber Wode Maya, shows the young kids dressed in red outfits emblazoned with a white dragon.

The children chant in Chinese before breaking into an animated dance.

The lyrics, translated loosely, mean: "I'm a black monster. I have a very low IQ!"

Recorded in Africa by Chinese vloggers, the videos are then sold on China's version of Amazon.

They were originally posted on blogging site Weibo by an account called The Jokes on Black People Club.

According to reports, the video was recorded in Malawi and the kids had been told they were recording a birthday song.

A source in Malawi raged: "Not content with creating a death plague, now these people see fit to mock African kids. Horrible."

BUSTY model Alicia Sefrass is amazed at the amount of frogs she's seen in her garden pond recently.

The 26-year-old, from Staines, has been watching spring take effect in the last few days and paying more attention than in the past.

Backyard

And the 32C beauty has been thrilled at the amount of wildlife in her own backyard.

She said: "Maybe life is too full on, because I've been able to take stock and really enjoy my garden.

"I've seen tons of frogs all getting it on and loads of birds all singing and dashing about.

"Normally I am too busy to notice, so at least some good has come of the lockdown!"

X FACTOR BABE KELLY: WATCH ME DILDO MY MINGE!

Star likes her man to look on while she uses her 'special friend'

By BARNEY SAMUELS
news@sundaysport.co.uk

DESTINY'S Childstunna Kelly Rowland says she likes to use a sex toy – while her man is watching!

The former *X Factor* judge, 39, made the kinky confession during an online chat with Yank telly presenter La La Anthony.

During the talk, broadcast on Instagram Live, Kelly mentioned one toy that has seemed to do the trick for her.

"You know the little ring that goes around...," Kelly said as she trailed off while making an "O" shape with her finger.

She added: "That's *sooo* nice!"

Kelly them moved on to talking about getting her man involved.

Purred

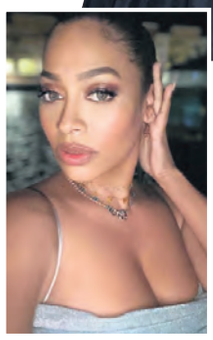
She purred: "You can always have a warm-up, a brief warm-up.

"And then have them watch your brief warm-up and then have them join you."

It's not the first time that Kelly's talked dildo filth. Back in 2011, appearing on telly with Alan Carr, she talked of her "special friend."

Alan – widely thought to be a gay – said: "Now you're single aren't you? But I read somewhere you've got a special friend. I was wondering what this was? It's not a vibrator is it?"

KINKY KIT: Kelly is open about her love of sex toys



TELLY TALK: Kelly was quizzed about love aid by Alan

The only response a giggling Kelly could muster was: "It makes me happy."

Alan then took the joke one step further, and asked if Kelly was using the sex aid when she called in sick to the live *X Factor* show – as her voice sounded a little "odd".

He said: "I thought, 'Oh, your special friend has popped round'."

Kelly replied: "That's why my voice sounded the way it did!"

Clubs' 'home delivery' lapdances slammed

WATCHDOGS have called for authorities to investigate nightclubs advertising "home delivery" of lapdances amid the coronavirus lockdown.

The Human Rights Commission say that the offerings violate both the health campaign and women's rights, exposing them to the deadly bug.

Lapdance take-out services are being offered by "men's clubs" that were ordered closed in Mexico on March 26 to stem the spread of the coronavirus.

Vikings go on the lockdown rampage for more sex toys

FIRST they laid waste to half of Europe with their Viking pillaging antics – now the randy Nordics are snapping up all the world's SEX TOYS!

Sales of adult toys in Denmark have more than DOUBLED after Danes were told to stay at home to limit the spread of coronavirus, according to the country's biggest retailer of the sexy merchandise.

Mathilde Mackowski, co-owner of Sinful, the biggest sex toy seller in the Nordics, said: "It makes me happy that we are doing something good during this very difficult time, when people feel vulnerable."

In the first week of April, sales at Sinful rose 110 percent in Denmark, where it estimates it commands three-quarters of the total market.

The country's biggest sex toy review website *Eroti.dk* said traffic has more than tripled during the lockdown, compared with the same period last year.

In particular demand for sex games and toys for couples has spiked.

Mackowski added: "I think it's only natural that when we spend more time together we want to have a little extra fun."

Kim: Wee want a urine garden

KIM Kardashian and her rapper husband Kanye West are planning a URINE garden at their £10million Wyoming ranch.

The Wests have big plans for the 4,000-acre property and one thing on their to-do list is creating a veg patch nourished by human waste.

The plans have sound scientific basis – urea found in urine is a first-class fertiliser.

In order to make his dream come to life, Kanye West and Kim Kardashian will have to spend a pretty penny.

They will have to design toilets with pipes that separate urine from other human waste, such as plop, and install systems to process the piddle, as adding tinkle directly to crops will kill them – and make them smell of piss.

A YOUTH suspected of dealing drugs when he was arrested with a backpack full of weed told cops in Nottingham: "I'm just buying in bulk because you can't get out during lockdown."

MIRANDA HOOKER SHAT ON MY BED

Geoff's celeb lookalike sex-for-sale nightmare

PLOP STROP: Geoff's bed is still poo stained

DIRTY WHORE: Drunk sex worker farted and followed through

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

IT was like a dream come true for Miranda Hart fan Geoff Wilson – a hooker who was the spitting image of his idol.

What's more, the vice girl was based not 15 miles from Geoff's flat in Fishponds, Bristol, and was willing to do home visits.

Single Geoff, 48, who has never missed an episode of sturdy Miranda Hart's BBC1 falling-over comedy *Miranda*, said: "I found her while I was just browsing the internet.

"I had a few quid put aside from a Premium Bonds win a few years back and thought, 'What the hell?'

Excited

"I was so nervous when I called the lady that I actually called her Miranda! I felt such a fool but she said, 'That's alright, my lovely… you can call me what you like!'

"Her accent was broad Bristol, not like Miranda's softer Torquay burr – she's from Torquay, you know. Miranda.

"She said she'd be free in a couple of hours and took my address. My goodness, I was excited and had a really good gentleman's wash."

But Geoff's wildest dreams came crashing round his ears when the lookalike hooker turned up.

He said: "She was drunk – dead drunk. But I told her to come in.

"She came in and fell over – not in a funny Miranda-falling-over way – in a drunk way.

"She took her clothes off and I took a photo for my album, then I started doing sex to her.

"All of a sudden she did a trump, then looked panicked. 'Oh dear', she said, 'I've followed through.'

"The stench was appalling and there was poo all over my best eiderdown. It's still not all come out and this was a couple of weeks back, before the lockdown.

"I told her to skedaddle and she did, unsteadily.

"They say you should never meet your idol. Well, all I can say is you should never do sex with prostitute lookalikes of your idol, because they'll just shit on your bed."

Last night, a source close to the real Miranda Hart said they were "close to 100 per cent certain" that the 47-year-old comic did not want to comment.

CORRIE MP'S THIS MORNING PHONE BOOB

WHAT A CORRIE ON: Tracy in soap

TRACY Brabin says she'll have to change her phone number after she was bombarded with calls as it was inadvertently shown on screen during an appearance on ITV's *This Morning*.

The Labour MP for Batley and Spen and former *Coronation Street* actress appeared on the daytime show to discuss funding of constituency offices.

As she appeared via FaceTime, her phone number appeared onscreen.

Tracy wrote on Twitter: "Just done @thismorning and my phone number was posted on screen and I've been inundated so will have to change my number. Please TEXT."

The signal for the interview was interrupted as calls came in to her mobile and she said: "I'm so sorry, I'm getting calls at the moment. That is why it's dropping. Oh, there's another one."

One viewer wrote on Twitter: "Her signal isn't bad, instead, her number was leaked live on TV and everyone is trying to call her."

Another wrote: "Oops! It appears that @thismorning have just revealed Tracy Brabin's telephone number on air during a FaceTime interview. She will not be happy."

Yet another said: "Time for MP @TracyBrabin to change her mobile number thanks to @thismorning @ITV @itvnews leaving her number on screen."

A spokeswoman for *This Morning* said: "It was a technical error which was swiftly rectified."

Sex and City stars back to say 'thanks'

THE stars of *Sex and the City* have regrouped to pay tribute to the New York's medical workers on the front lines of the coronavirus pandemic.

Sarah Jessica Parker (*above*), Cynthia Nixon, Kristin Davis and Kim Cattrall called into the Bradshaw Boys podcast to share words of encouragement for those risking their lives as they fight the potentially deadly disease.

The foursome gave a special "shout out" to a Big Apple doctor, named Meg, who has been working in a COVID-19 intensive care unit and is a fan of the iconic 90s show.

Sarah, 55, who played Carrie Bradshaw in the hit show, said: "What Meg is doing, what her colleagues are doing, I don't think we ever imagined we would be asking this of our medical community.

"I don't know how to thank them enough. I don't know what else to do... I'm just so touched by their commitment and effort."

Nudists rapped for not covering up

A GROUP of nudists have been rapped by cops after they appeared in public – without FACEMASKS.

Following reports that some nudists were sunbathing without protective fmasks by the Lazne Bohdanec spa resort in the Pardubice region, Czech police were called to the scene to reprimand the culprits.

Although nude sunbathing is allowed in the area, the group of sunbathers violated two regulations introduced by the Czech government last month to prevent the spread of coronavirus – the ban on gatherings of more than two people, and the obligation to wear facemasks in public.

A police spokesman said: "Citizens can be in places designed for this purpose without clothes, but they must have their mouths covered and must observe the numbers in which they can go into nature."

FLASHBACK: Our trio of topless models (*l-r*) Elise, Adele and Petra visit *Sunday Sport* fan Lord Bath

TIT'S WHAT HE WOULD HAVE WANTED

TRAGIC LOSS: Alexander (*right*) and (*above*) the new Marchioness of Bath, Emma

Sunday Sport salutes the legend Lord Bath, who sadly died last weekend

THE ruthless scythe of coronavirus has cut a huge swathe though Britain since it arrived on our blessed shores.

Thousands of families are mourning lost loved ones and the contagion is no respecter of rank or fame.

Last weekend, Britain's most colourful toff was carried off by the plague.

Alexander Thynn, 7th Marquess of Bath, sadly passed away last weekend at the age of 87 after being admitted to hospital on March 28.

By HUGO MONTEFIORE
Society Editor

Lord of Longleat House in Wiltshire and boss of the animal park famed for its pride of lions, he was known as the 'Loins of Longleat' for his randy ways.

Lord Bath kept around 70 mistresses, who he called wifelets, in cottages scattered across the 9,000-acre estate.

He was rarely out of the gossip columns – once appearing when two wifelets had a fight over who slept with him that night.

And, naturally, he was a huge friend of *Sunday Sport*.

Back in 2002, we sent models Adele Stephens, Elise Taylor and Petra to visit him in his private rooms at Longleat.

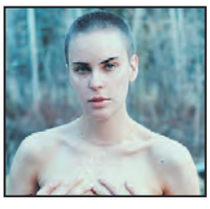
He was even offered the job as *Sunday Sport* Chief Nipple Counter but had to decline due to his work at Longleat.

Recently, Lord Bath made the news again after his daughter-in-law Emma Weymouth appeared on *Strictly Come Dancing*.

Emma, who is married to Alexander's eldest son Ceawlin, revealed her "deepest sadness" at her dad-in-law's death.

Emma, 34, is now Marchioness of Bath as her husband assumes the title of 8th Marquess of Bath.

Die Hard Bruce shaves his daughter



BRUCE Willis shaved the head of daughter Tallulah while they are in quarantine amid the coronavirus outbreak.

The Hollywood star, 65, is isolating with ex-wife Demi Moore, 57, and their daughters Rumer, 31, Scout, 28 and Tallulah, 26.

In footage shared on Instagram, the *Die Hard* actor is seen wielding the shaver.

"Gorgeous! Look at her," a voice says, while another, thought to be Rumer, tells Tallulah, "You look like Joan of Arc, dude."

Fans were quick to point out that Tallulah looked like her mother, who shaved her head for 1997 action film *GI Jane*.

Tallulah later posed topless with her new haircut in a picture left taken by Rumer.

Earlier this week, the family shared a group photo from their home, showing them wearing matching green and white striped pyjamas.

Sicko who coughed on pump faces kill bid rap

A MAN may face a charge of ATTEMPTED MANSLAUGHTER for intentionally coughing on a petrol pump handle while muttering about the spread of coronavirus.

The 23-year-old was questioned after cops received reports of a video circulating on social media showing the sick act.

The suspect later admitted to coughing on the pump during a grilling.

A police spokesman said: "He came in willingly and did a full interview.

"He admitted to the fact that it was him on the video and that he'd got the idea from other social media videos he'd previously seen on the internet.

"He blatantly coughed on the handle and said, 'This is how you get coronavirus'," the spokesman said of the footage, which was posted to Snapchat.

The suspect did not show any symptoms of COVID-19 but charges of unlawful use of an infectious biological substance will now be sent to prosecutors in Yuma, Arizona.

The unnamed man, from Winterhaven, in California, may also face attempted manslaughter charges, cops said.

Comic is self-isolating with Leo DiCaprio's stunning ex

WHAT'S comic Jack Whitehall doing in lockdown?

Well, it would seem he's doing Leonardo DiCaprio's former flame, Roxy Horner!

Jack, 31, and the 28-year-old model, are in isolation together, three months after her split from musician Jake Bugg following a two-year romance.

The new couple are said to have made their romance exclusive just before the UK-wide coronavirus lockdown.

A source said: "Jack and Roxy are enjoying isolation together. It's all very new but they're in their own little bubble and things are perfect at the moment.

"If I were him, I'd be banging it every way up, morning noon and night – with only a break to watch *The Chase*."

Jack has been linked to various women since calling it quits with actress Gemma Chan after six years together,

It was also recently claimed that the posh funnyman was on the lookout for love and had signed up to celebrity dating app Raya.

Roxy shot "fame" in 2016 when she hooked up with Hollywood hunk Leo after meeting in LA.

They were snapped leaving London venue the Chiltern Firehouse after reconnecting at the BAFTA Awards.

'BARBIE' BABE'S FINGER-LICKIN' LOCKDOWN

A PLAYBOY star has revealed how she's been passing time in isolation – flicking the bean!

Nannette Hammond, who describes herself as a "real life Barbie Doll", says she's been spending a lot of lockdown time in the buff.

For some much-needed "self-care", she's been cleaning her home naked and masturbating regularly.

She's also enjoying long bubble baths and jumping up and down on her bed.

When she's not cooped up, the top American influencer enjoys travelling and hanging out with family.

Nannette, 46, listed all of her favourite things to do in an Instagram post in which she posted a snap of herself captioned: "We all self-care differently. Some of this Barbie's acts of self-care include…

Waxing

"30-minute bubble baths, travelling the world, gummy bears, cooking, roller skating, singing, gym time, spending time with family."

Nannette added that she's been finding plenty of time to complete household chores – but has still managed to fit in a bit of intimate fingerwork.

She added: "I love to iron everything I wear before I put it on my body – including my PJs.

"Getting my nails done, drinking wine, being naked home alone.

"Cleaning naked with roller skates on, washing and waxing my cars.

"Photoshoots and masturbation, jumping on my bed and doing flips."

'We'll all die' loon shat on home's floor

A MAN was locked up after he broke into a home while naked, smashed the place up, shat on the floor and told terrified residents "everyone's going to die!"

Cops say troubled Tomothy Anderson (*above*) forced his way into the house after stripping off his clothes on the back porch.

Once inside, he damaged belongings including two antique dressers and punched through a dry wall.

When the owner of the house asked what the hell was going on, 45-year-old Anderson said: "I'm looking for things to survive."

According to cops, he then squatted on the floor and made soil, crying: "Everyone's going to die."

Police arrived and he was arrested for burglary, vandalism and indecent exposure.

A police source in Rogersville, Tennessee, said: "It seems the suspect was worked up over the coronavirus thing – and drugged up to the eyeballs."

Naked woman in bush ordeal

FIREMEN helped free a woman who says she was stuck NAKED in a BUSH for over 12 hours.

Police and the fire brigade responded to an emergency call to a "person in a bush distress" and found the woman stuck in shrubbery behind a motel.

The woman complained that her "long hair was stuck in the bush" as firefighters cleared a path to free her.

She described the bush as "spiky" and yelled out that she was "naked" as rescuers got nearer.

Motel residents said the woman was stuck in the bush for almost 12 hours but initially thought the yelps they heard were playful bear cubs.

Officials were able to free the woman after nearly an hour and she was transported to the hospital in Eureka, California for treatment.

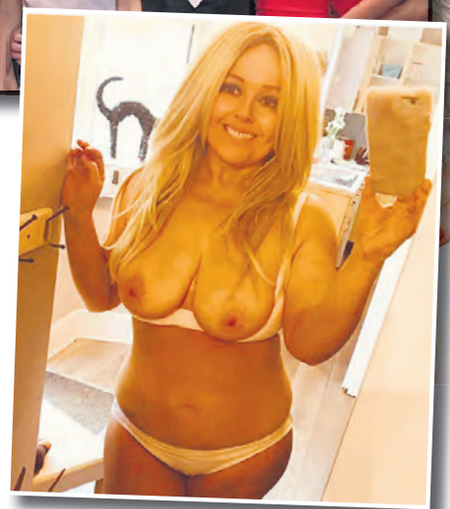
Heff loved facials and I craved spunk ...we were a perfect match

BREAST OF TIMES: Hugh Hefner had a constant supply of hot women to shag



KEEN: Keera as a young model at the time she met Heff and (left) her today

By SARAH MARSHALL
news@sundaysport.co.uk

SWEAT poured off *Playboy* boss Hugh Hefner's face as he humped away on top of the naïve young model.

Suddenly, with a grunt, he pulled out, got to his knees and started masturbating furiously, the end of his cock less than two inches from the girl's face.

With a groan he came and hot jets of spunk splashed on her pretty, flawless cheeks.

The semen was everywhere – impressive for a man aged 64, the girl thought.

Some of the cum ran into her mouth and, instinctively, she wiped a gobbet off her cheek and sucked her finger coquettishly.

Hefner loved it, wiping the end of his slackening penis in the model's mouth.

She took his glans between her lips and sucked out the remaining drops of sperm as though she was drinking her favourite Diet Coke through a straw.

"Honey, you're an expert. You've done that plenty of times before, haven't you?" Hefner smiled.

Keera Ashton giggled at the compliment from the world's most-famous girlie magazine owner but said nothing.

No, she'd never done that before. She was not a virgin but she'd never had a man's cock in her mouth before, never tasted a man's cum.

But then again, she was only SEVENTEEN.

That was back in 1990 and now, 30 years on, mum-of-three Keera has decided to tell all about her steamy romps with the notorious lothario.

The world-famous author of the bestselling erotic thriller *Life in Retrograde* explained: "I'd lied about my age and did some nude modelling in a couple of UK magazines.

"Somehow, Heff had got hold of one and his people tracked me down.

"He invited me to the Playboy mansion in Los Angeles and that's not an invite you turn down when you're a model.

Consent

"I told him I was 18 but I'd only just turned 17, below the age of consent in California.

"Heff was like a kid in a sweet shop. The place was filled with beautiful women and all of them were happy to have sex with Hugh Hefner.

"But he was not a sordid, sleazy man. He had old-world charm and manners – though coming in my face was maybe a bit ungentlemanly!

"He loved what he called 'facials' and, as it turns out, I liked the taste of spunk. We were a perfect match.

"I lost count the number of times he came onto my 'pretty English face'."

Keera stayed at the mansion for three weeks.

She said: "It was like a dream but of course you have to wake from dreams. I had to go back to the UK to get on with my modelling career.

"I thought I'd never hear from Heff again but he always sent me a card on my birthday. That always made me laugh because he always thought I was a year older than I was."

Hefner died in 2017 and the magazine he founded recently announced that it will cease publication.

Keera said: "I always think about Heff at this time of year – Easter bunnies, Playboy bunnies, get it?

"But I'll never forget my time at the Playboy mansion."

HOLLYWOOD BABE IRELAND'S SECRET STRIPPED PHOTOSHOOT

FAMOUS: Mum Kim and (*right*) Ireland with dad Alec

Stunna sizzles in never-before-seen snaps

WHEN your parents are both Hollywood sex symbols, the chances are that you're going to be pretty sexy yourself.

And stunna Ireland Baldwin proves that theory with sexiness to spare!

The 24-year-old is the daughter of movie hunk Alec Baldwin and steamy stunna Kim Basinger.

Animal rights campaigner Ireland has stripped to promote militant bunny huggers PETA and her raunchy poolside Instagram pics have cheered up lockdown for millions across the world.

By JAYNE FERGUSON

But these studio snaps of the actress and fashion model are FAR too raunchy for prudish Instagram.

They show Ireland's full, young breasts in all their taut glory. Taken for Yank magazine *Treats*, the snaps have never been seen in the UK before and show Ireland in a string of high-definition topless and nude poses.

In one topless pose, wearing a tight-fitting yellow swimsuit, Ireland sits legs-open, allowing fans to imagine what fresh, young loveliness hides behind the thin fabric covering her crotch.

In another snap, Ireland poses with her arms above her head, while wearing kinky S&M style sussies and suspenders.

'Dick pics' get UFC's Paige fighting mad

UFC star Paige VanZant has shamed three men for sending her "dick pics" after encouraging fans to text her.

The flyweight fighter joined retired tennis ace Maria Sharapova by signing up to tech company Community to help cure boredom during the coronavirus lockdown.

Paige *(above)*, who has 2.4 million followers on Instagram, posted her number in the promise of trying to reply to each and every message.

And while admitting to being bombarded with texts, it appears some have taken advantage of the situation.

She said on an Instagram post: "I'm trying to get through all your text messages and replying to everyone.

"I'm having a lot of fun chatting to you – minus the three dick pics. Not happy."

OFTEN-BARE beauty Emily Ratajkowski put on her best sad face – and some clothes – to declare she's upset that Bernie Sanders is dropping out of the race for the White House.

The political activist and model took to social media that same day to express her "devastation" over the news with a post on Instagram.

A longtime advocate for women's rights, among other progressive causes, the 28-year-old was a staunch supporter of aged leftie Sanders and his medicare for all agenda.

In an online snap, Ratajkowski penned that she was "devastated and disheartened" over the news and added a broken heart GIF.

The model shared a photo with the post of herself wearing a T-shirt that touted many of Bernie's policy positions: "College for all, medicare for all, jobs for all, justice for all."

Sanders's "progressive" manifesto means he's regarded pretty much as a Communist in the US, and he attracts the same sort of support Jeremy Corbyn did in this country.

And, like Corbyn in this country, the Vermont pensioner, 78, has crashed and burned – realising he has no chance in the fight against Democrat candidate rival Joe Biden.

MMA boss slams 'bullsh*t' sex tape blackmail lawsuit

UFC boss Dana White has been named in a lawsuit as the alleged victim in a £163,000 sex tape blackmail plot.

The claim made against the MMA chief *(right)* has been denied by White as "bullshit".

Reports in the US detail a case filed by Ernesto Joshua Ramos, who accuses the Las Vegas businessman of failing to pay him for not disclosing his name during a 2015 extortion case.

The original blackmail scheme centred around an unnamed businessman in the Vegas area being told to pay £163,000 to prevent a supposed sex tape of an "overseas rendezvous with an adult nightclub dancer" being released.

White, 50, said: "I just found out that a bullshit lawsuit was filed against me yesterday.

"This guy went to federal prison for trying to extort me over five years ago. Now he's hired a lawyer, who is also a convicted felon, and he's trying to extort me again for $10million.

"He got no money from me last time and he won't be getting any this time."

Man mauled licking gator to cure virus

LICKING an alligator's eyes will NOT make you immune to coronavirus!

That's the perhaps obvious warning issued by the Florida Parks and Wildlife Service after a fool was mauled and seriously injured by one of the reptiles.

The unnamed man ended up in the gator's jaws when he tried to lick its eyeballs after reading online that alligator eye mucus was an old remedy for flu and "definitely" worked against the coronavirus.

He was spotted by passers-by and rescued by park rangers and paramedics on the edges of the state's famous Everglades.

Ranger Curtis Broward said: "I heard me some gold-plated nincompoopery in my 30 years working as a ranger down here.

"But if this don't just take the biscuits and gravy… sure is a good thing that gator grabbed that fella by the head – because sure as toads is toads, there ain't no important moving parts in that thick skull of his, no sir."

THE outdoors... can you remember that?

It's the place you pass on your scuttle to the shops for "essential supplies".

Or where you gulp that breath of fresh air during your Government-approved daily exercise.

Rockets

Hard to believe it now but once upon a time, a lot of us used to spend loads of time outdoors and we could do it without Derbyshire Police firing rockets at us from their robot drones.

Of course, the people we really like to see outdoors are those special ladies who enjoy getting their kit off al-fresco.

The chances are, it'll be knocking on winter before we're allowed outside again.

And so, as what looks like being a lost summer knocks on our door, let's gaze fondly back at some amazing pics of bare outdoor ladies from years gone by...

10 things you might not know about ST THOMAS' HOSPITAL

WHEN Boris Johnson's COVID-19 symptoms took a turn for the worse, there was only one place to take him – St Thomas' Hospital.

Slap bang in the middle of London, it's one of the most famous hospitals in the world.

Here are some very interesting facts you may not have known about this renowned place of healing…

1 THE hospital was described as ancient in 1215 and was named after St Thomas Becket – which suggests it may have been founded after 1173 when Becket was made a saint.

2 IN the 15th century, Richard Whittington – Dick Whittingon of panto fame – financed a ward for unmarried mothers.

3 AFTER the English Reformation and abolition of Catholic saints, the hospital was re-dedicated to Jesus' disciple Thomas – the doubty one.

4 IN the 18th century, the hospital had two dedicated "foule wards" – for patients with VD.

5 THE present day St Thomas' Hospital is located on a plot of land largely reclaimed from the river during construction of the Albert Embankment in the late 1860s.

6 QUEEN Victoria laid the foundation stone in 1868.

7 THE hospital was designed using principles developed by Florence Nightingale to improve ventilation and slow the spread of infectious diseases.

8 THE Nightingale Training School and Home for Nurses opened at St Thomas' Hospital on July 9, 1860. It's now called the Florence Nightingale Faculty of Nursing and Midwifery.

9 AS the Palace of Westminster is still technically a royal palace, a convention has been adopted that any commoner who dies within the palace is officially recorded as having died at St Thomas' Hospital.

10 THE hospital featured in the 2002 film *28 Days Later* where it was uncannily abandoned due to a nationwide deadly virus.

DEANO ON SUNDAY

Maybe lefties are not very nice people?

MEET Sheila Oakes.

Sheila is mayor of Heanor, a smallish town in Derbyshire.

And last week Sheila – a Labour supporter – became slightly famous.

Why?

Did she sell off the mayoral paraphernalia to raise money for virus relief?

Did she roll up her sleeves and go mop out her local hospital?

Did she deliver food to the elderly and the orphans?

Did she make good her socialist principles and hand over all her possessions to the common weal?

Maybe – but that's not why Sheila became famous.

Sheila's face was all over the media because she went on social media – what else? – to say that Boris Johnson DESERVED to get coronavirus.

This was at a time when the PM had been moved to intensive care. When he was, pretty much, fighting for his life.

Mayor Oakes wrote: "Sorry, he completely deserves this and he is one of the worst PMs we've ever had."

When her comment was described as "a cruel thing to say" by another Facebook user, Sheila replied:

"Johnson has done absolutely nothing for the UK – have you heard how the nurses and doctors have no PPE, that there were not enough ventilators, that the NHS is massively underfunded and yet it is having to deal with this virus?"

Now, whether or not the NHS is underfunded is an argument for another day.

No, there's not enough PPE to go around but that has a lot to do with this being a WORLD PANDEMIC and there's a global shortage of such kit.

As for there not being enough ventilators? So far, I don't think there's been one case of someone needing a ventilator not getting one.

But far and above all this is the fact that the first citizen of Heanor (*left*) said that the PM of this country deserved to contract a deadly illness because of his political beliefs.

It's not really a huge step from "wanting someone to die" to "locking them up in a gulag and actually killing them".

OK, at this point, I have to say that Mayor Oakes has made a half-arsed apology and has been slung out of the Labour Party.

But this death wish vitriol directed at Boris has come from thousands of people of the left over the last few days.

What is it with lefties that they are so keen to wish death on people they disagree with?

For all the – in my view, justified – mockery of Jeremy Corbyn and his team (yes, I'm looking at you, Diane Abbott), I can't recall a single example of a person from the right saying, "I hope Jeremy Corbyn dies".

Surely lefties are supposed to be about inclusivity and generosity of spirit?

It's hard not to conclude that socialists are only generous with money other people have earned and their inclusivity extends only to those who agree with them.

Maybe – and whisper this – lefties are not very nice people after all?

I'LL GIVE NHS HEROES A BIG HAND...JOB!

APPLAUSE: Some of our medical staff

Big-hearted Kat's 'amazing w*nk' offer to front-line staff

HANDJOBS FOR HEROES: Kat wants to say 'thanks'

ALL of us have stood on our doorsteps each Thursday night, loudly and proudly applauding to show our appreciation for our NHS heroes.

It's a small but welcome gesture of solidarity with the front-line staff who are battling to save us from the ravages of the killer coronavirus.

But porn star Kat Lee is going further – much, MUCH further.

Because the hot grumble star and high-end hooker is offering a free "amazing wank" to all front-line NHS heroes.

Kat, 32, from Manchester said: "I was laid up with a broken ankle just before the lockdown and now, like everyone else, I'm staying at home.

By CLAIRE HOLDEN
news@sundaysport.co.uk

"The health service were amazing with me and now they are doing superhuman things with this virus.

"It's only fair that I should do my bit to say thank you and the best thing I can offer is one of my amazing wanks."

Spreading

Kat added: "Naturally, I won't be able to do anything until the lockdown is over and all risk of me spreading the virus is passed.

"But I'm serious about this – our heroic NHS staff are going above and beyond with this and we all need to show our appreciation."

Kat added that it's not just NHS staff who can claim an amazing wank.

She said: "There are loads of people battling to keep the country going – from lorry drivers to shop workers to meals-on-wheels delivery drivers.

"I'd like to give anyone who has helped keep the country going one of my amazing wanks.

"And we can't forget our Prime Minister Boris Johnson, either.

"Whatever your politics, he's the man in charge and I imagine the strain of dealing with all this has made his condition worse.

"So when he's out of hospital and back on his feet and fighting fit, he's welcome to an amazing wank, too!"

Kremlin mouthpiece launches attack on babes' naked social media posts

By JUSTIN DUNN news@sundaysport.co.uk

A NEWS outlet seen as a mouthpiece for Vladimir Putin's Kremlin has launched a mean-spirited attack on fun-loving celebs who have stripped off in lockdown.

Famous folk have kept the world's spirits up by posting raunchy snaps on their social media.

But that's raised hackles at Russia Today – a TV station and website accused of pumping out pro-Kremlin propaganda.

In a stinging editorial, RT raged: "Covid-19 quarantine has starved sports stars of attention, and some have stripped naked in a shameless attempt to grab the lockdown limelight."

"UFC fighter Paige VanZant has been a prolific producer of 'art' with her boyfriend, which entails stripping off and frolicking around.

"Former tennis pro Ashley Harkleroad jumped on the bare-all bandwagon from her Malibu mansion and gave us a throwback to what made her U.S. *Playboy's* first ever tennis professional by posting fully nude and joking that she was 'saving money on clothes'."

It continued: "Female pro golfer Paige Spiranac, who recently admitted she has no clue why she has been shunned by the more serious golfing world, provided irony by shooting herself practising trick shots with her ample cleavage while in quarantine."

A source said: "This would not have been published without Vladimir Putin's agreement. It's yet another attempt by the Russian president to undermine and dispirit the West.

"What a truly miserable bastard he is!"

Nude airport woman has a flight with arresting cop

A WOMAN who turned up at an airport stark naked was arrested when she refused to leave.

Mariel Vergara, 27, was completely nude when she walked into the building and made her way to the ticket counter.

A cop dispatched to the scene noted that Vergara had already put on a dress by the time he arrived.

But she was still violating public decency laws as she had on no underwear, and the dress was too short to cover her MINGE.

Airline officials told Vergara she wouldn't be able to travel due to her attire, or lack of it. She was asked to leave the airport, but she refused, police said.

Vergara of Pueblo, Colorado also ignored the cop's orders to leave the Louis Armstrong International Airport in New Orleans and scuffled with him as she was being taken into custody.

She was arrested and booked with obscenity, resisting arrest, hitting a police officer and remaining in a place after being forbidden.

Vergara was slung in the police cells where she awaits a court appearance.

Lockdown gets naked nut nicked

A FINNISH man has been arrested on the Costa Del Sol for breaking lockdown rules and running around in the buff.

Cops in Fuengirola received a call from a worried neighbour saying that a man was running around without any clothes, shouting he had coronavirus.

Officers descended on the scene and located an "aggressive" man who ignored their instructions, so they arrested him and charged him with repeated disobedience, as this was not the first time that the expat had been caught breaking virus lockdown.

The police have taken the opportunity to remind citizens that they can only leave their homes in order to purchase food or pharmaceutical products, go to the hospital, go to care for the old and vulnerable, or travel to and from the workplace.

A local police source said: "This coronavirus, it making people go crazy.

"We know this guy, though. He crazy to start with. Maybe all that hard stuff Finns drink, si?"

By WENDY THOMAS

IF we all had neighbours who looked like Bex White, we'd be delighted to see them standing at the window with their boobies out.

The 29-year-old blonde from Sussex was snapped gazing wistfully out at her garden in this photo shoot.

The 32B beauty said: "I'm very lucky to have a garden that I can sit out in, because I don't think anyone will be out and about for some time with all this virus kerfuffle going on.

"I think I might try and grow a few veg this year, too.

"Who knows, I might even enter something in the village show – if there is one!"

AMBER'S HAVING DEVIL OF A TIME!

By JAYNE FERGUSON
news@sundaysport.co.uk

MANCHESTER United fan Amber Mae is missing her football since the lockdown began and is desperate for the season to restart.

So the brunette beauty has been watching her boyfriend's DVDs of old Red Devils matches to help get her through the soccer drought.

The 24-year-old Manchester babe, who boasts lovely 34C boobs, said: "I'm fed up with the lack of football.

"Of course, I understand why and people's safety comes first – but it's still a wrench.

"I've been watching DVDs of games from the 1990s and 2000s to keep up.

"To be fair, we were more successful then anyway!"

I LOVE TO GET GREEN-FINGERED

"IT'S amazing, the directions this lockdown can take you...

Like everyone else, I'm staying at home and for someone who is used to flying around all over the place that's come as a bit of a shock, I can tell you.

Of course, I've been watching a LOT of telly and last Friday I ended up watching *Gardeners' World,* of all things!

It was presented by this really nice fella called Adam Frost and he was talking about how easy it was to grow your own veg.

The next day I was doing my weekly shop and saw a gardening mag with a free packet of seeds on the front.

I picked it up and on Sunday, I did some gardening in my own little garden.

I sowed some lettuce and radish so in a few weeks, I should have my own home-grown salad!

I've found my perfect Sunday – gardening! Who would have ever thought it!"

SUNDAY Sport LEGENDS OF PORN

ACTION GIRL: Porn babe takes a length for the camera

PART 102 KENZIE TAYLOR

By PENNY MARSHALL
news@sundaysport.co.uk

STUNNING Kenzie Taylor made her porn debut at the age of 24 and has been sex-mad since losing her virginity aged 16.

The 34DD beauty from Michigan even indulged in kinky threesomes BEFORE starting out in adult movies.

Kenze, 28, confessed: "I had threesomes all the time. It was either me and other girls or a girl and a guy. I've never been a stranger to that."

But she was still nervous when she had her first on-camera scene, adding: "Luckily, I got to work with a veteran performer who was amazing."

Asked what turns her on, the star of *Black Rods Barely Fit* and *Anal Tootsies*, said: "I really like dirty talking and I like kissing and eye contact.

"I like kissing on my neck and ear and I like a lot of foreplay before we get into the nasty.

"On film, we don't do that much foreplay, we just get into the f**king. But in my personal life, it's all about the foreplay."

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to Crystal and Sara from Leeds...

CRYSTAL BLAKE
AGE: 21
FROM: Leeds
OCCUPATION: Personal trainer
FAVE DRINK: White wine
FAVE FOOD: Italian
FAVE FILM: Crazy, Stupid, Love
FAVE ACTOR: Ryan Gosling
FAVE HOLIDAY: Santorini

SARA COLLINS
AGE: 20
FROM: Leeds
OCCUPATION: Dental nurse
FAVE DRINK: Jungle Bird
FAVE FOOD: Thai
FAVE FILM: Valentine's Day
FAVE ACTOR: Brad Cooper
FAVE HOLIDAY: Mallorca

FIRST TIME

CRYSTAL: Mine was rubbish. I was in my school uniform and I had sex in the toilets at school.
SARA: During the day?
CRYSTAL: No, it was after school. We'd stayed behind. I dragged him into the toilets. It was his first time and it was terrible. We just fumbled around.
SARA: But it was your first time. What did you expect? Mine was crap, really crap. It took him about an hour to get it up.
CRYSTAL: Did you not get fed up?
SARA: Well I did but didn't want to tell him. He didn't know what he was doing. It was over and done with in minutes.

SEX TOYS

CRYSTAL: Every girl should have sex toys. They are better than a man.
SARA: I don't agree.
CRYSTAL: I have a Rampant Rabbit and a few others. I think men are selfish most of the time.
SARA: That's true.
CRYSTAL: Your vibrator isn't selfish. You are in control and a man doesn't really know what to do to turn you on unless you tell him and you don'twant to do that. And with a vibrator, you can orgasm within two minutes.
SARA: I prefer guys. I have got a cock ring for my boyfriend, but that's it. I don't want to use one because I don't want to get used to it and then be disappointed when I have sex.
CRYSTAL: When you use a vibrator and then have sex, it is not as good.
SARA: With a man, it is more to do with emotions.
CRYSTAL: But vibrators don't get upset or jealous.
SARA: Neither do your hands. Try using your hands. I don't need a vibrator.

SEX OUTDOORS

CRYSTAL: I had sex outside in the street once. It was outside a B & Q store. It was round the back on the delivery hatch. It was after a night out. It was good.
SARA: Remind me to avoid that spot!
CRYSTAL: I have had sex on a car bonnet as well. I was living at my mum and dad's house, so we couldn't go there, and he had a girlfriend, so we had sex on his car bonnet.
SARA: I had sex in the graveyard of a church once.
CRYSTAL: Did that put the willies up you?
SARA: Very good. It gets worse, his mates caught us. I had his coat wrapped around me and they were having a laugh at us. And they wouldn't go. I was there on the floor and it was very embarrassing.

WILLY SIZE

CRYSTAL: It matters all right, because if it is too small it falls out.
SARA: Do you know that through experience?
CRYSTAL: Yes, sadly. I never said anything, I just put it back in.
SARA: Do you not think that you've just got a baggy fanny?
CRYSTAL: No, he just had a small dick. If it is short and he is going in and out, it falls out.
SARA: You should have gone on top.
CRYSTAL: I did, but it still fell out.
SARA: I don't think it matters. Width does, I like width. If it was really, really small, I would feel embarrassed for him.
CRYSTAL: I would say I can't have sex, let's do something else. I don't have that problem with my current boyfriend.
SARA: Is that why you're still with him?
CRYSTAL: No. I remember the first time I had sex with him it really hurt, but now it's just normal. I have taken pictures of it and showed it my friends and they were like "F***ing hell".
SARA: I have done that too.
CRYSTAL: His willy is about nine inches.

> **"I love doggy-style – it's so sexy and even better when I can see us going at it in the mirror"**

SARA: I was on a webcam with my boyfriend and we had web sex. We were doing things to ourselves while the other was watching. He showed me his willy and I printed it out and showed my friends. They seemed impressed.

FAKING ORGASMS

CRYSTAL: All girls fake it, don't they? I do when I can't be bothered. I just say I can't do it any more because I have orgasmed too much. I haven't really, but I just can't be bothered.
SARA: I have only once – or maybe twice. It was when I was with my first boyfriend and it was because he was crap. But I wasn't very good at faking orgasms because he just thought he was hurting me, so I don't do it any more.
CRYSTAL: You must make some strange noises.

BUM SEX

CRYSTAL: I don't like it because it hurts, but my boyfriend likes it. He likes having my finger up his bum – but not when I have got nails. He won't let me do it unless he is drunk and then he tells me not to tell anyone. You can't do it with false nails on because it hurts – and you might lose one.
SARA: I liked it when I was in the shower because it was lubricated and I have done it several times since and each time I enjoy it more.
It feels like you're being filled up and you can use your fingers on your clit at the same time to bring about a really intense orgasm. And one more thing, my boyfriend loves it!
CRYSTAL: Why is that? My boyfriend says it is because he gets a good view.
SARA: I think it is because it's dirty and is looked on as being a bit taboo.

SPIT OR SWALLOW?

CRYSTAL: I swallow, but I don't really like giving blowjobs because my boyfriend's willy is too big and it hurts. It's not that I don't like giving him pleasure, he's just too big. But when I do, I do swallow.
SARA: I swallow too. There's no point spitting it out as it tastes worse and it is quite sexy. My boyfriend thinks it's sexy when I swallow. When I swallow, I feel dominant.

FAVE POSITION

SARA: It has to be doggy.
CRYSTAL: I don't like that.
SARA: It feels really good and sexy because as he takes me from behind it feels deep. I like it even better when I can see us going at in the mirror.
CRYSTAL: You like to watch yourself having sex in the mirror?
SARA: Yes, it's good. It's a massive turn on for both of us
CRYSTAL: I like it on top. I feel more in control and we have mirrors down the side of the bed so we can see each other. The woman gets more pleasure if she's on top. You can rub your clit on him and it feels better.

DRESSING UP

CRYSTAL: I had been on holiday and I came home and put stockings and suspenders on and my pyjamas over the top. When my boyfriend came round, he looked really pissed off.
I said I was going to the toilet and then shouted at him to come up. He walked into the bedroom and I was standing there in stockings and suspenders with music playing and candles lit.
We had sex and he told me he'd never come like that before in his life.
SARA: My boyfriend loves a police uniform. One day when he was at work we were sending each other sex texts. I was telling him I was naked and about to have a bath. He said I was making him feel horny.
I had bought a police outfit and when he came home I was stood there in it. We had unbelievable sex. I was the dominant one and handcuffed him to the bed. It was great.

BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE

with SIMON DEAN

TODAY

5 Star, 11.15pm – *Drive Angry*
NIC Cage multitasks, shooting bad guys and screwing Charlotte Ross in a hotel room. And Char's no slouch either, flashing amazing T&A throughout!

TOMORROW

Horror Channel, 12.45am – *Texas Chainsaw Massacre: The Next Generation*
TONIE Perensky flashes in a window at 15 mins and we see some excellent right side boob, though not in the same shot as her face. Because it's a body double.

TUESDAY

Film4, 10.55pm – *Trainspotting*
KELLY MacDonald drops her dress to reveal her casabas at 26 mins, gets high on Ewan MacGregor's meat-syringe then flashes some full-frontal fuzz as she gets dressed afterwards.

WEDNESDAY

Horror Channel, 12.55am – *Lake Placid: The Final Chapter*
BORISA Tutundjieva and Marina Gerginova peel off their bikini tops at 34 mins and splash lake water on each other. Nice!

THURSDAY

Horror Channel, 2.10am – *The Facility*
STROBE lighting illuminates a room at 1 hr two mins where Skye Lourie is nude and bloody, giving us some quick glimpses of her breasts!

FRIDAY

ITV2, 10.05pm – *American Pie: The Wedding*
LOOK out for Amanda Swisten and Nikki Sierling at 43 mins. Their strip show is quite arresting!

PICK

TODAY

TOMORROW

***Dolly Parton: 50 Years at the Opry* – BBC2, 9pm**

HIGHLIGHTS from the country singer's performance to celebrate 50 years as a member of the Grand Ole Opry, recorded in Nashville in October 2019.

Featuring hits including *Jolene* and *9 to 5*, as well as appearances by Lady Antebellum, Emmylou Harris and Hank Williams Jr.

What a voice! What knockers!

***Kingsman: The Secret Service* – C4, 9pm**

A STREETWISE teenager is taken under the wing of his dead father's old colleague, an agent working for a super-secret spy organisation.

Will the youngster prove to be a chip off the old block by proving useful during a battle against a twisted, hi-tech genius?

Action comedy based on a comic book, starring Colin Firth and Samuel L Jackson.

Superb!

OF THE TELLY

By BARNEY SAMUELS

Willy Wonka and the Chocolate Factory – ITV, 2.35pm

AN eccentric confectionery king announces that five children will be given a one-off chance to tour his wondrous but secretive factory.

The winners turn out to be a kind-hearted boy from a penniless family and four obnoxious brats, who face a terrible but appropriate fate when they misbehave.

The original version of the film and by far the best.

Even though the oompa-loompas are f**king creepy little bastards who will give you nightmares for the rest of your natural life.

Musical fantasy, based on Roald Dahl's classic book *Charlie and the Chocolate Factory*, starring Gene Wilder as Willy Wonka, Jack Albertson, Peter Ostrum and Roy Kinnear.

The Ten Commandments – C5, 3pm

IN these dark times it is right that we turn to our Scripture for guidance, solace and inspiration.

But if you can't be bothered with actually reading the Bible, Cecil B De Mille made a film of one of the best bits.

Egyptian prince Moses discovers his real roots are Hebrew after being banished from the land by his jealous half-brother. He returns from exile on a quest to free his people from enslavement by the new pharaoh, and warns of terrifying consequences if the ruler fails to let his people go.

Biblical epic, starring Charlton Heston and Yul Brynner.

Wolf Hall – BBC4, 10pm

HARKING back to a time of fear, filth and pestilence. Good timing, BBC4!

Henry VIII is desperate to end his marriage to Katherine of Aragon, but Cardinal Wolsey's efforts to persuade the Pope for an annulment are fruitless – much to the dismay of Thomas Cromwell, a lawyer dependent on Wolsey's patronage.

The king's new mistress is rumoured to be Anne Boleyn, who has sworn vengeance on Wolsey after he refused to let her marry Harry Percy, so Cromwell visits her in the hope of swaying her to the cardinal's side.

Historical drama starring Mark Rylance and Claire Foy.

TUESDAY

Springtime on the Farm – C5, 8pm

HELEN Skelton and Adam Henson continue their celebration of the hard work of farmers around the country, seeing how they are responding to the COVID-19 crisis, and showing how nature carries on regardless.

Working safely within the new social distancing guidelines, Helen presents from her Yorkshire country garden and Adam from his Cotswold farm.

From Andy Pandy to Zebedee: The Golden Age of Children's TV – BBC4, 9pm

THE story of the struggle to deliver television programmes for children, who were an often overlooked audience in the days before everything went digital.

Includes interviews with pioneers of kids' TV, such as Bernard Cribbins, Derek Griffiths, Janet Ellis, Johnny Ball and John Craven.

DON'T MISS THIS!!!

Devs – Wednesday, BBC2, 9pm

NEW. Lily and her boyfriend both work as programmers at the vast campus of quantum computer company Amaya, near San Francisco.

When Sergei comes to the CEO's attention, he is recruited to a secretive division of the firm – but when he fails to return home, an alarmed Lily begins to investigate his disappearance.

Mystery thriller with Sonoya Mizuno and Nick Offerman.

By WENDY THOMAS
news@sundaysport.co.uk

HOW about this for a Little slice of good fortune during a time of crisis!

All-natural babe Brookie Little received a box full of complimentary SEX TOYS a month before the lockdown began.

And the 26-year-old blonde beauty has refused to look a gift horse in the mouth and has been filling the hours of boredom by getting herself off ever since.

Diddling

Busty Brookie, 30G, from Weybridge, Surrey, explained: "A company sent me a load of vibrators and dildos as a freebie in February.

"So, in the last few weeks, I've been diddling myself silly!

"It's certainly one way of keeping my mind off it all!"

Adele: I'm such a Bad girl!

By WENDY THOMAS
news@sundaysport.co.uk

ANGELIC Adele Taylor is taking the advice to "Netlix and chill" quite literally.

The 28-year-old, from Wembley, said: "To be honest, until a few weeks ago I was out all the time and so I hardly got to see any telly.

"But all that's gone by the wayside, so I invested in a Netflix subscription and now I'm working my way through all these shows that people have been raving about."

The 32D stunna added: "I'm hooked on *Breaking Bad* right now. Am I the only person in the world who hasn't seen it yet?"

ANGELA'S A BUSTY F-EASTER BUNNY!

MEGA-BOOBED Angela White is obsessed with Easter...

Not because she's massively into Jesus and the resurrection but because she loves chocolate.

The 27-year-old from Birmingham, who boasts whopping 32G charms, said: "Easter beats Christmas for me hands down because it is the holiday with the most chocolate.

"You can have chocolate for breakfast, lunch, dinner and even supper – and no-one bats an eyelid!"

Not just content with gorging herself on the sweet stuff, Angela added: "I even like to smear it on myself and get my lucky fella to lick it off!

"He loves chocolate almost as much as me!"

THE WORLD FAMOUS AGONY Page

Dear Ava,

ME and my nympho friend met a group of 12 lads on a wild night out in Manchester at the end of last year and ended up having a sex orgy with them.

My knickers were soaking by the time five of them stripped me off back at their hotel and I soon had cocks in every hole.

It was such a turn-on when I glanced over to see my mate with two cocks in her gob, one up her arse and fanny, and she was tossing two others off as well.

Now we're worried ordinary sex with just one bloke will be boring. Any advice?

CF, North Yorks

Ava says...
IF you're into orgies, go online and see where local sex parties might be in future.

Dear Ava,

I'M a 36-year-old divorcee and I was in my local last month – before it was forced to shut – when I met the strapping nephew of the fella who owns the farm just down the road.

And when I showed an interest in his job he offered to let me see the herd he helps breed.

After a tour of the farm, we sat on a bale of hay and ended up snogging as he fondled my breasts.

I found that he had an impressive nine-inch penis, which he soon had thrusting in and out of me.

After I climaxed I sucked him off and he went down on me before arranging to meet in the pub the next night.

But he never turned up. Am I wasting my time?

RC, Surrey

Ava says...
HE was just a young bull on the pull. Forget him.

LOCKDOWN KEEP-FIT IS THE BEST!

Come on... that's enough gardening for one day - you'll exhaust yourself!
This lockdown is proving the ideal time to get those little jobs done. But I suppose you're right. Say, I'd love a rim job.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

SUNDAY Sport SEXY BACK END!

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week AVA DALUSH has been reading through your letters and emails. Here's her advice…

I checked out fit babe at our supermarket

Dear Ava,

I RECENTLY volunteered to go to the supermarket each week, as my missus says she hates queueing up to get in at the moment.

Each time, after loading my trolley, I'd go to the checkout and once or twice I saw the same assistant, who looked a bit familiar.

On the most recent trip I was ready to pay when the girl motioned me close and whispered: "Wait outside."

I was intrigued as it was almost closing time, so I waited in the car park until she was finished.

I know it's against all the rules but I offered her a lift home and once at her place, she opened her blouse, popping out her 36Ds, then grabbed my stiff manhood.

I was giving her one from behind when I noticed a school photo on the sideboard and then it clicked – she was my first shag, and I hadn't even recognised her!

She says I'm her only true love and wants me to move in with her!

RF, Wilts

Ava says…

CHANGE supermarkets – if you want to stay married.

Dear Ava,

A COUPLE of months ago I caught my wife shagging our neighbour.

He's 50 and is a keen gardener and me and my wife are both 30.

I heard them chatting in the garden and he said he would come round and "trim her bush".

My wife found this funny, so I suspected that she fancied him.

I told her I was going golfing but returned within an hour to check on them.

As soon as I got in I could hear her moaning from our bedroom.

I went upstairs and watched as my neighbour f**ked her.

She had her legs over his shoulders and the bed's headboard was banging against the wall as he slammed into her.

The trouble is I got turned on by watching her having sex without her knowing I was there.

I think she's going to shag him again this Friday because she's booked a day off and I'm going to watch again.

Do you think I'm weird?

FD, Derby

Ava says…

NOT at all – lots of people get off on watching their partners have sex.

One rim job coming up… Lehrrr…
We are lucky having a garden…
There are lots of things people without gardens can do to stay fit…

Some guy climbed a virtual Mount Everest by walking up and down his stairs - and another guy did a virtual marathon by running up and down his lounge
WOW! Those are great ideas! Now pound my minge…

Ava says…

THESE two look like they're getting plenty …of exercise!

Jasmine gets her teeth into bum sex!

By WENDY THOMAS news@sundaysport.co.uk

BIG-boobed Jasmine Black wants to get home to Romania – but she's trapped here in Britain.

The 32-year-old is from the former Communist nation's capital Bucharest but moved to Leeds temporarily to make a series of double-anal movies.

Then the virus kicked off.

Jasmine, who has 34H busters, said: "I worked very hard and earned money to buy my old granny some new English false teeth.

"But now no planes fly, and all the borders are closed. There is no way I can get the teeth to my gran and soon it will be potato season – she needs new teeth for the potatoes. Is sad for the old lady.

"On plus side, I have had many cocks in my anus. Ooof!"

SAN THE RIGHT MAN FOR JUAN

UNITED TARGET: Jadon Sancho

JUAN Mata believes Jadon Sancho would be a brilliant signing for Manchester United.

The Reds are being linked with the England forward who has been a big hit since moving from neighbours City to Borussia Dortmund.

He won't come cheap at around the £100m mark but Mata thinks it would be money well spent by Ole Gunnar Solskjaer.

The Spaniard said: "We all know he's a great player. He's having a fantastic season at Dortmund. I like him as a player."

United look set to splash the cash when the transfer window finally opens again. As well as Sancho, the Reds are being linked with a move for Aston Villa captain Jack Grealish.

That will depend on whether the Brummies manage to beat the drop this season.

TOFFEES JACK ATTACK!

EVERTON are lining up a shock move for Jack Grealish.

The Aston Villa skipper is the No1 target for boss Carlo Ancelotti when the transfer window opens again.

The Italian wants to build his new Everton side around the 24-year-old and is prepared to pay big money.

The Toffees will match any offer made by Manchester United and will guarantee first-team football at Goodison Park.

The fee could head beyond £60m but Everton are happy to pay even that much.

Grealish has done well this season with nine goals and eight assists.
